## **Procedures for Visiting the Vernon Historical Society Museum**

Admittance is by appointment only to ensure that proper spacing is available.

Visitors must review the Covid-19 symptoms posted on the front door before entering. If they are experiencing any symptom, they cannot enter.

Visitors are required to wear a mask. (The Society does **not** supply masks.)

Visitors must practice social distancing.

Research space is limited to 3 tables. (One person per table.)

Depending on the demand and space, appointments may be limited to one hour per visitor.

Researchers are encouraged to submit their questions or research topics ahead of their visit by email or phone call so that staff can gather materials before the appointment.

Thank you for following these procedures which allow us to welcome people to our archives while keeping our volunteers and visitors safe.
