

VHS HOLIDAY CRAFTER REGISTRATION FORM

VERNON HISTORICAL SOCIETY, PO BOX 2055, VERNON, CT 06066

IMPORTANT INFORMATION: Your crafter number will be assigned on the inventory sheet that you will receive with your confirmation once you have registered. If you have previously participated in our fair, every effort will be made to assign you your same/previous crafter number.

REMINDER: Your crafter number should be in **RED** on the price tag of each item and the price should be entered in **BLACK**. (Your price should include 20% for the Society.) Please do not put any other numbers on the price tags! **THIS WILL AID OUR CASHIERS FROM INCORRECTLY CREDITING YOUR SALES!** String tags work the best for most price tags, stick-on tags tend to fall off during the sale.

The Society will be responsible for displaying, selling and accounting of sales. Crafters have no need to be present during the sale. Items are to be delivered to the Vernon Historical Society, 734 Hartford Turnpike, Vernon.

Please call the Museum (860) 875-4326 or any additional information.

2026 Please note that we are asking for a description of your crafts to avoid having similar crafts near each other.

Also note, **EACH CRAFTER** will have approximately 3' of Space for Display of your Crafts, due to limited space. Please keep that in mind when preparing for our sale.

Please complete the below registration information with your **\$15.00** registration (checks payable to the Vernon Historical Society or VHS) and indicate which date you will be bringing your items to the Society:
